

CMAA

CLUB
MANAGERS
ASSOCIATION
OF AMERICA

The Club Managers Association of America (CMAA) is the oldest, most respected Association representing the club management profession. CMAA has 7,000 members who manage more than 3,000 country, city, athletic, faculty, yacht, town and military clubs throughout the United States and abroad. The CMAA UH student chapter is heavily involved in both the Hawai'i parent chapter and the national chapter. Each year, the student chapter attends the Annual World Conference. In the past, students have traveled to Florida, California and most recently New Orleans, Louisiana. Our students have been most fortunate to receive support from our local parent chapter which includes members from Wai'alaie Country Club, Honolulu Club, Mid-Pacific Club and others.

When our students are not traveling to the annual conference, they spend much of their time fundraising (sushi sale, BBQ), going on site inspections

(Kanoeha Yacht Club, Wai'alaie Country Club) and participating in the parent chapter's annual golf tournament which raises funds for scholarships.

Students in CMAA enjoy the benefits of a close relationship with its Hawai'i parent chapter. Often times students are able to network with industry executives and call upon them for their support in academic endeavors, internships and jobs.

CMAA members can look forward to an exciting 2009-2010. There will be a number of site inspections to local private clubs, possible participation in the CMAA student conference in Florida and February's World Conference in San Diego, California. To apply to CMAA's UH student chapter, visit the TIM office in George Hall 346.
